Product Safety Notice

This device is listed under the ETL mark as Information Technology Equipment.

Regulatory Notice

U.S. Operation: This device complies with Part 15 of the FCC Rules. Operation is subject to the following conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. (3) Operation on board an aircraft or a satellite is prohibited. (4) Devices operating under this section may not be employed for the operation of toys.

Operation in disregard of these conditions is a violation of 47 U.S.C. 301 and could subject the operator to serious legal penalties. Disassembling or modifying the unit will void FCC compliance and void Time Domain warranty provisions.

Non-U.S. Operation: PulsON® technology has not been authorized for use or commercial exploitation under the regulations of any non-US government agency. Please confer with your government's regulatory agency to ensure proper authorizations are obtained.
